## ALATEEN IS . . .

---

A fellowship of young Al-Anon members, usually teenagers, whose lives have been affected by someone else's drinking.

### Purpose of Alateen

Young people come together to:

- Share experience, strength & hope with each other,
- Discuss their difficulties,
- Learn effective ways to cope with their problems,
- Encourage one another, and
- Help each other understand the principles of the Al-Anon program.

### Sponsorship

Every Alateen group needs an active, adult member of Al-Anon to serve as sponsor. The sponsor is an active part of the group, guiding and sharing knowledge of our Twelve Steps and Traditions.

### Al-Anon Family Groups (AFG) Preamble

The Al-Anon Family Groups are a fellowship of relatives and friends of alcoholics who share their experience, strength and hope in order to solve their common problems. We believe alcoholism is a family illness and that changed attitudes can aid recovery.

Al-Anon is not allied with any sect, denomination, political entity, organization or institution; does not engage in any controversy, neither endorses nor opposes any cause. There are no dues for membership. Al-Anon is self-supporting through its own voluntary contributions.

Al-Anon has but one purpose: to help families of alcoholics. We do this by practicing the Twelve Steps, by welcoming and giving comfort to families of alcoholics, and by giving understanding and encouragement to the alcoholic.

**NOTE:** All meetings are closed unless otherwise noted. Closed Al-Anon meetings are open to all who have been affected by another person's drinking. Meetings marked "Open" are open to the public.

## AL-ANON IS . . .

...a worldwide organization that offers a program of recovery for the families and friends of alcoholics, whether or not the alcoholic seeks help or even recognizes the existence of a drinking problem. Members give and receive comfort and understanding through a mutual exchange of experience, strength and hope. Sharing of similar problems binds individuals and groups together in a bond that is protected by a policy of anonymity.
